07 June 2024

Șoseaua Odăii 20-22, Bucharest 075100

ics.scodoc@animv.eu

The Intelligence and Security Doctoral School organizes the Intelligence and Security Culture Conference.

The conference is designed as a component of the doctoral research program and supports doctoral students, of doctoral schools from Romania and abroad, who want to validate and challenge their research ideas, objectives or conclusions.

The conference is also open to students undertaking a master's degree who wish to pursue doctoral studies.
